## Keeping the pace

**F**all semester 1987 got off to a busy start. The first week of school was filled with activities each day. We began our week with orientation and registration on Monday, followed by a watermelon cutting that evening in front of Grenada and Webster Halls. The melons were good, even the one Lindy Bunch carved "H J C" on! The Industrial Education Club had their dunking booth going and some of the cheerleaders hated to call it quits when the lightning ended the entertainment. Tuesday evening brought magic from the delta by way of Mr. Wardell Herring and Wednesday brought the first cookout and football scrimmage.

.....

By Thursday evening the campus was alive and rockin' as Matt Killian got our "Beginnning of School Dance" off on the right foot — or was it the left foot! Great dance, Matt!.....

Pep Rallies and football games, a classical guitarist, and Homecoming made the semester move fast. "Mess Delta Pageant" was a fun and entertaining activity. The winner was Miss Kay Loni Ray Rafco of Grenada, not to be the only beauty to come from that city!

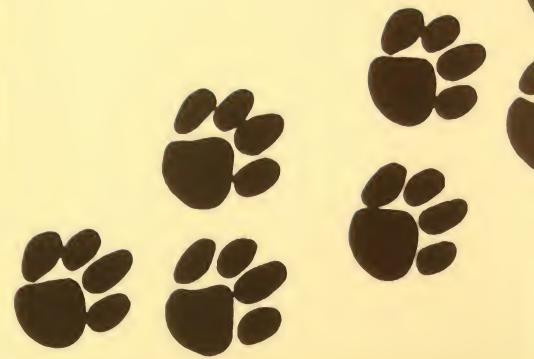

.....

Our Most Beautiful, Miss Kimberly Dawn Biddy was also from Grenada. The beauty review was a most enjoyable evening. Nine of our beauties were recognized that evening. Study sessions and movies were a weekly treat from the ARC. We had talent shows, flag football, fifth quarter pizza, a football search and even a turkey hunt. A Halloween carnival was sponsored by the Cosmetology Club and was a blast! There was an egg drop and plays, and concerts, and yes, another dance! This time a Christmas dance.

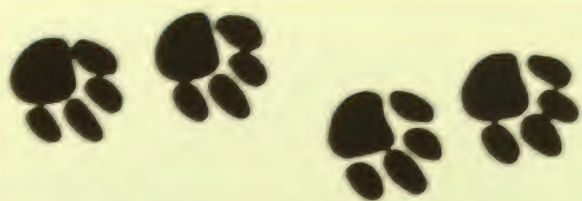

And in between all the "activities" we found other things to do!

(BELOW) Melanie was escorted by her father Mr. James Ferguson and by her twin brother, SGA President, Jimmy Ferguson.  
(RIGHT) Holmes Junior College President, M. R. Thorne presented the queen with a bouquet of mums.

# 1988 BEAUTIES IN REVIEW

Kimberly Dawn Biddy

Most Beautiful

Regina Lynn Ballard

Tiffany Jane Barlow

Joy Melanie Ferguson

Laura Kay Hill

Tammy McChristion

Jennifer Leigh Morgan

Barbie Dawn Pope

Phylis Marlo

Wandevere

The Frank B. Branch Coliseum was the setting for the 1987-88 Beauties in Review. Excitement filled the air as 29 hopefuls prepared to compete in interview, casual wear, and formal wear competition. The dressing room was permeated with the drifting aroma of hair spray, perfume and could it be adhesive? The evening was highlighted with special entertainment by Holmes Junior College's Coachmen, Mrs. Jama Chesteen and Mrs. Janet Simpson. Mr. James Cooper, the evening's master of ceremonies revealed the top nine beauties selected by the judges and the climax of the evening brought Kimberly Dawn Biddy into the limelight as the Most Beautiful Girl of Holmes Junior College. Truly this was an evening to remember.

**President and Mrs. M. R. Thorne**

Not knowing that one day he would be president, Mr. M. R. Thorne, his wife Aline, and daughter Sandra ventured to Holmes Junior College in 1959 with the agreement to work for one year as an industrial education and drafting and design instructor. That one year turned into seven years of teaching. In 1963, the Thorns added to their family a son,

Michael. In 1966, Mr. Thorne was named Director of Vocational/Technical Education where he served until his appointment as Assistant to President Frank Branch in 1975.

The following year Mr. Thorne became President of Holmes Junior College. At the close of this year, he will have served Holmes Junior College for twenty-nine years.

When President Thorne is not working at Holmes Junior College, he enjoys fishing, hunting, playing golf, and restoring automobiles. He is a member of the Lexington Country Club and the Kosciusko Golf Club.

He also enjoys traveling and visiting his granddaughter, Lauren. When all is said and done President Thorne confessed, "I love administration but I miss the classroom because I am unable to get acquainted with the students of Holmes Junior College."

# Dedication

The fifty-ninth volume of Holmes Junior College's *Horizons* is proudly dedicated to a very deserving person, Mrs. Helen McKibben.

Mrs. McKibben has served Holmes Junior College since 1963. She first served in the capacity of assistant dietician where she remained for ten years. She was then given the task of seeing after the bookstore, mailroom and the canteen. The next two years her dedication was given to serving the students in these capacities. Presently, Mrs. McKibben is manager of the bookstore and the mailroom which enables her to interact with many of the Holmes students. Mrs. McKibben picks up and delivers the student mail as well as all of the campus mail. Until recently she was in charge of ordering, receiving, opening, shelving, and selling the books for the entire district. In her spare time Mrs. McKibben enjoys sewing, painting, and visiting older friends.

The *Horizons* staff proudly dedicates their 1988 edition of the *Horizons* to Mrs. Helen McKibben for her dedication and many years of service to Holmes Junior College.

# SPRING, 1988 NEW STUDENTS

## Goodman Campus

## *Crossing the Bar*

*Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the bar,  
When I put out to sea,  
But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew from out the boundless deep  
Turns again home.  
Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell,  
When I embark;  
For though from out our bourne of Time and Place  
The flood may bear me far,  
I hope to see my master face to face,  
When I have crossed the bar.*

Drum Major

## “Boss”

The name “Boss” in reference to Mr. Gary Sheppard, Director of Holmes’ Band Program, originated during band camp in August of 1984. Three guys that were in the band that year started calling Mr. Sheppard “Boss” because they thought that Mr. Sheppard was too long to pronounce and also because he was the director of the band. From that time until the present, students around Holmes Junior College have been and still are calling Mr. Sheppard, the “Boss.”

Concert Band — First row, left to right: Kim Holmes; Debra Topps; Susan Wigginton; LaShanda Dodd; Susan Fleming; Karen Smith. Second row, left to right: Pam Thomas; Michelle Campbell; Kim Edwards; Caroline Dance; Lee Byars; Wendy Roberts; Becky Stiedle; Edward Terry. ## Club Candids

Baptist Student Union (BSU) is an organization sponsored by 1900 Mississippi Baptist churches to 27 colleges and universities here in our state. BSU at Holmes has two main goals: (1) leading students to know Jesus, (2) make Jesus known to others. Through our weekly worship and fellowship time, BLAST (Believers Learning and Sharing Together), weekly discipleship families, and dorm Bible studies. Also, students were able to minister through faculty Secret Sweeties and SCREAM teams (Students Can Reach, Evangelize and Minister) to local churches and high schools.

Collegiate Service Club (CSC) is a service organization designed to promote better citizenship in your home, school, and country. The club sponsors many activities on campus such as the Wednesday night movies, Sidewalk Cafe, Jail at the Halloween Carnival, cookouts, Valentine Dance, blood drive, and the St. Jude Rock-a-thon. The biggest off-campus project is buying gifts for the children of the Methodist Children's Home in Jackson. Membership is open to all students.

"The Growl," a monthly newspaper, is published by students on the three campuses comprising the Holmes Junior College District. A broadsheet, it attempts to disseminate a broad and balanced coverage of news to students, faculty, staff, as well as friends and alumni of the college. Its pages are open to all legitimate members of the Holmes community of campuses.

The paper has to its credit a number of awards won in competition with sister publications at other junior and community colleges. The same holds true for individual staff members over the years. "Growl" writers, photographers, and artists walk away with more than their share of awards for individual excellence; something which probably helps account for the number of senior institution editors and working journalists the paper produces. While an official publication of the Holmes Junior College District, it does not necessarily reflect the views of the college or any of its official representatives. However, traditionally "The Growl" staff has in the best journalistic tradition been on accurate reflection of the college community which it served.

The *Horizons* is the annual yearbook of Holmes Junior College and is published by a staff of students. Those who have had experience in the publication of high school annuals are encouraged to join the staff. The *Horizons* staff also sponsors the Beauty Review during the fall semester and the election of Who's Who in the spring semester.

Phi Beta Lambda is an organization of students in business or business related fields. PBL is committed to helping students bridge the gap between the classroom and the business world. Some of the activities PBL has been involved in and sponsored this year are: a tea for campus secretaries; an awards program for the local Business and Office, and Computer Technology departments; collecting gifts for the Mississippi State Hospital; "Product Awareness Day" which had approximately 300 visitors; conducted a local leadership competition with winners advancing to the state level; and attending the state Leadership Conference in Jackson.

The Student Government Association (SGA) serves as a mediator between the faculty and the students. SGA assists the faculty in drawing up student rules and regulations. Representatives are elected by the student body. SGA sponsors numerous activities and events such as Back to School Dance, Watermelon Cutting, Magic Show, Mess Delta Pageant, Football Search, Homecoming Festivities, Half-court Basketball Throw, Pot of Gold, Easter Egg Hunt, and the annual softball tournament.

Holme-Towne Players — One of the most active organizations on campus, is open to all students and faculty members. We do two major productions each year and from six to twelve one-acts. The highlight of all our activities is sponsoring several children at the Methodist Children's Home in Jackson each Christmas. A major goal of this organization is to promote love and respect for the theatre. Delta Psi Omega — a national honorary dramatics fraternity, was organized at Holmes in 1982. It provides special recognition to those students who have made outstanding accomplishments in theatre on campus. Since its organization, our chapter has been featured each year in the Delta Psi Omega Playbill. This is the national magazine published by the organization. We are very proud of this accomplishment.

Preschool Association for Students, Teachers, and Educators (PASTE), is a club organized for the purpose of working for the best opportunities for young children through: providing a means for persons interested in young children to work together; and increasing the knowledge and understanding of members through a variety of educational means. The PASTE Club also sponsors fun-filled activities around the campus. Each year, PASTE holds its annual Spring Fever Day. On this day all campus clubs can compete for points in varied relays and games. This year on February 12, the club sponsored a Valentine's Day balloon sale. PASTE also sponsors dances for the campus.

**Math and Combined Sciences (MACS)** — MACS is open to all students of HJC who are interested in the areas of mathematics, science, biological sciences, and chemistry. MACS is a socially oriented club. We provide the students an atmosphere for interaction. MACS is very active in school activities and intra-club events. MACS sponsors the egg drop, a volleyball tournament, and other events. The club also participates in flag football, spring fever day, softball, and other team sports. MACS is proud to serve the students of Holmes Junior College.

**The Vocational Industrial Clubs of America (VICA)** is a national organization of individuals involved in co-educational, secondary, and post-secondary vocational industrial education. VICA functions as an organization of local clubs affiliated with the national organization through a state association. The VICA motto is "Preparing for Leadership in the World of Work." VICA is the only national organization whose purpose is to serve vocational industrial students.

**Phi Theta Kappa (PTK)**, with more than 700 chapters in the United States and abroad, is the only

nationally acclaimed honor fraternity serving two-year colleges offering associate degrees. Since its founding, PTK has sought to recognize and encourage scholarship among associate degree students. To achieve this purpose the honor fraternity has developed opportunities for leadership and service as well as provided an intellectual climate for continued academic excellence. The Kappa Alpha chapter at Holmes has continued to participate in both the national and local levels. Trips to the national headquarters in Canton, MS, have given our students the chance to meet with chapters throughout the nation and provide these students with meaningful learning experiences.

The Church of God in Christ Club (C.O.G.I.C.) was organized during the 1976-77 school year. The club's main purpose is to get students involved in religious activities. C.O.G.I.C. is a composite of all the denominations on campus which reach a large segment of the club's population. C.O.G.I.C. has participated in several activities such as the Talent and Fashion show; bought Christmas gifts for children at the Methodist Children's Home; and sponsored students at religious activities.

The purpose of the Industrial Education Club (IED) is to promote good industrial education public relations through participation in professional organizations, student activities, and field trips. IED aids in the education of its members through field trips to many local industries and businesses culminating with a trip to Mississippi State University. Membership is open to all industrial education majors, engineering technology majors and minors.

The purpose of the Cosmetology Club is to promote good public relations and to learn professional practices and business ethics. The club sponsors several fund raising events each school year to help finance educational field trips to hair shows. The Halloween Carnival is an annual activity that the club sponsors for the student body.

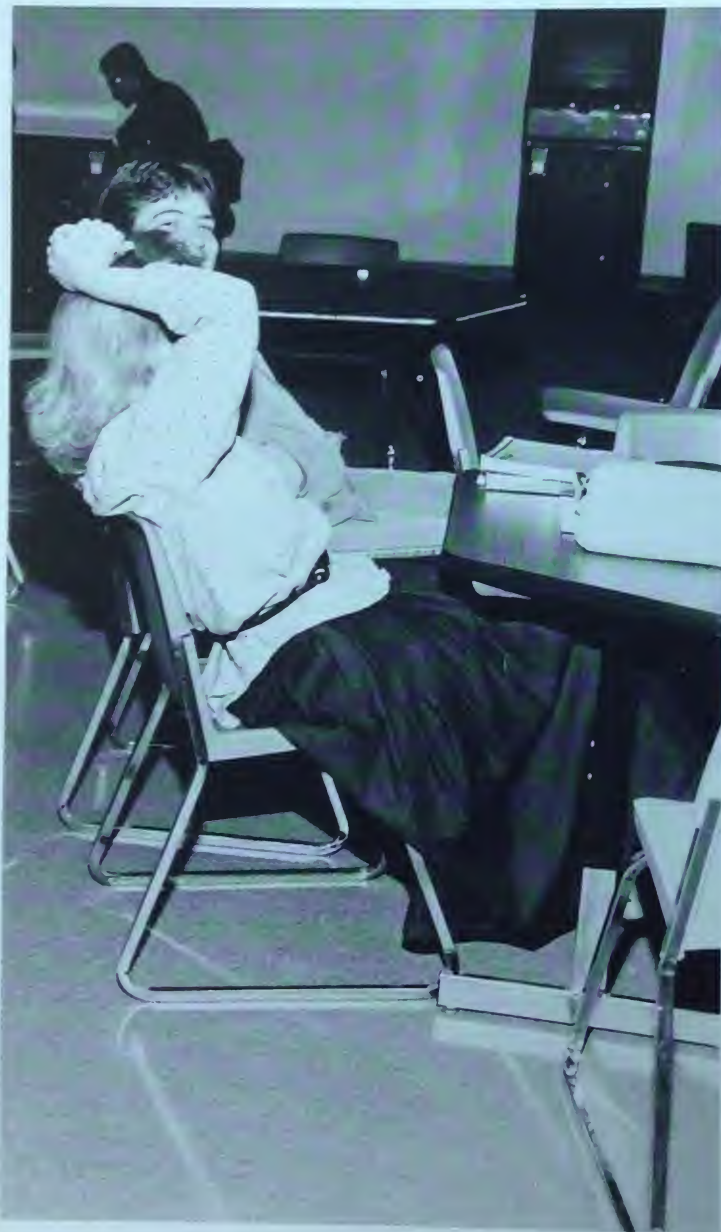

**Choir and Coachmen** — The choir and coachmen form the nucleus of the vocal music department. The choir presents two campus concerts each year as well as performing during Homecoming activities and the Junior College Choral Festival. The small ensemble, Coachmen, provide entertainment for the Alumni dinner, HJC Beauty Review, banquets, area high schools and churches. Students participating in the music program are given the opportunity to develop their music abilities in a way that will enrich their lives during and after college years.

The marching band and jazz band is comprised of students from area high schools in the nine county district of Holmes Junior College. They are awarded various scholarships depending on their position in the band. The marching band performs at most all football games, with special performances at homecoming and Christmas parades. The jazz band performs at homecoming and area high schools and academies. It is a select group of musicians from the band program that performs jazz and popular music.
